MORE INFORMATION OF INTEREST

- Applying my web programming skills (HTML, CSS, JavaScript, and GitHub), I have created and uploaded my own portfolio website to the internet. There, you can find more information about me and a series of programming projects developed during the period 2020-2024. The address is the following: **victorvictus.github.io.**
- I am a student representative for both undergraduate and master's programs in the UPC's academic council, representing ESEIAAT students, elected by student suffrage.
